

## Remind Communications

This year in band we will continue to use the Remind Communication app. 7<sup>th</sup> and 8<sup>th</sup> graders should be somewhat familiar with this app as we used it last year. This application is 100% free and does not use any personal information such as telephone numbers, email addresses, and other information of that nature. This is an easy and efficient way to get reminders out to everyone when need be.

Students AND Parents can/ should register for their specific class in order to get updates that are meant specifically for them. We will also have an 8<sup>th</sup> Grade Spring Trip account set up for those attending the trip in order to get reminders and updates throughout the year.

You may choose to get the updates in 3 different forms, by text, email, or through the free Remind app

**8<sup>th</sup> Grade Advanced Band:** Text code “@awt8a1920” to 81010

**8<sup>th</sup> Grade On-Level Band:** Text code “@awt8b1920” to 81010

**7<sup>th</sup> Grade Band:** Text code “@awt71920” to 81010

**6<sup>th</sup> Grade Band:** Text code “@awt61920” to 81010

- *Smart phones are not required to receive the text message notifications. If you wish to receive the notifications through the Remind app rather than through email or text, simply download the free app and search for your class using the code above.*

IT IS HIGHLY RECOMMENDED THAT YOU REGISTER TO GET ANNOUNCEMENTS FOR YOUR CLASS SO THAT YOU CAN STAY UP TO DATE AND DO NOT MISS ANY INFORMATION!
